We Invite You to Join us as an Authorized PestGuard Products Dealer

Our new product, the **PestGuard WaterGate™** deck drain devise, was specifically designed for use on both new and retrofit screen rooms, pool cages, patio's, lanais, balcony screen walls and more!

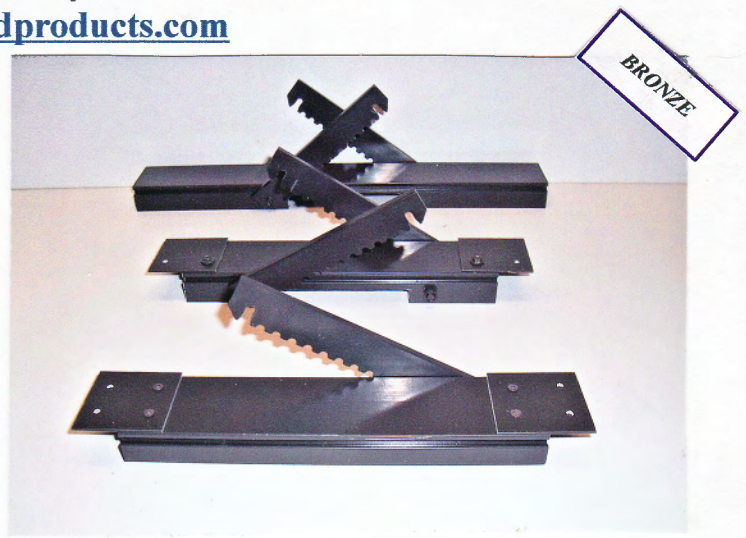

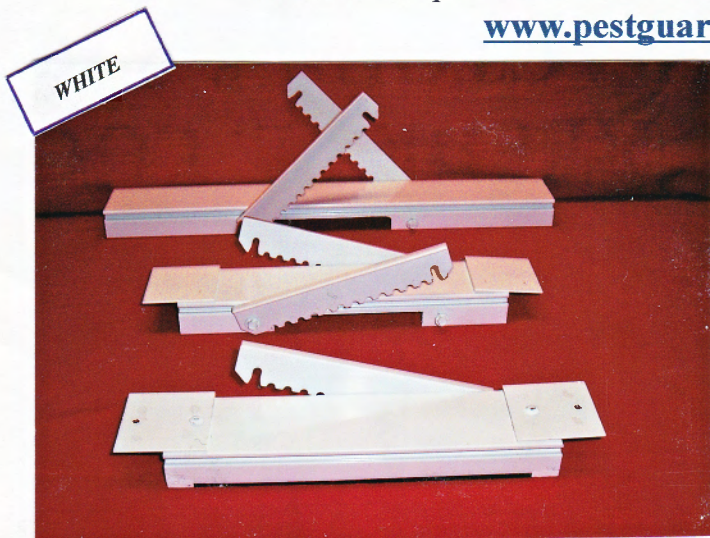

We would like you to consider joining us as an Authorized Dealer and include our highly profitable line of products when doing your normal new work. Perhaps also using them as a tool to contact past customers inviting them to install our drains into aluminum structures your company had previously built for them. This could be a great way to generate a lot of new business from old customers on such work as: re-screening, repairs, deck maintenance, retrofit work, etc..

Some of our Authorized Dealer Benefits:

- 1) **Co-op cost sharing** on ¼ and ½ page newspaper advertising in a local area publications. We pay up to 50% of the ad cost on selected display type advertising. (Contact us for details).
- 2) **Direct-to-door mail** to closed gate communities for about the cost of a postage stamp. (Full color mail piece, printing, postage and handling - all included at one low price).
- 3) A **free listing** on our new **PestGuard Products™** website with direct contact links to your e-mail address & existing website **plus** Google zip code business locator with map directions.
- 4) **Downloadable** documents concerning warranties, products & pricing information, etc.
- 5) **Youtube video** presentations of installation details for installer training and for your sales people to use as a presentation closing tool when visiting a potential customer's home.

For more complete information we invite you to view our website at:
